Activities

Activities: timeline, essays, comparative chart, diagram, and concept map.

The students who were found copying in the partial or final test will not have the right to get his final grade. Therefore his grade will appear as NP (no presentó)

The student who did not fulfill 80% of attendance will not have the right to present the partial tests.

The presentations must be in teams.

Only the homework and activities that were delivered on time will be evaluated.

In second opportunity, the student must have a 100% of attendance to have the right to be evaluated.

* The requirements are mandatory and are not graded. To accept the comprehensive final project, all of the requirements must be submitted.

Evaluation

- Evidence 1 (elaborate a timeline that contains the classic and modern theories) = 10 %
- Evidence 2 (concept map about the different political ideologies) = 10 %

Anexo 8.3
